

THE REIMAGINED WILDLIFE REHAB CENTER

Join us in the project of a lifetime and help Wildlife Rehab Center find our new "nest"! We need a space to continue to service the community's injured and orphaned wildlife. The ONLY Center of its kind in West Michigan! Give Kent County residents a space experience nature and gain a sense of responsibility towards it.

Features:

- 10+ acres
- Welcome & Education Center
- Eco-friendly design
- Ambassador Animal Experiences
- Picnic Areas
- Event Space
- Walking Trails
- Community Garden
- Internship Programs
- Volunteer Opportunities
- Endangered Species Rehab

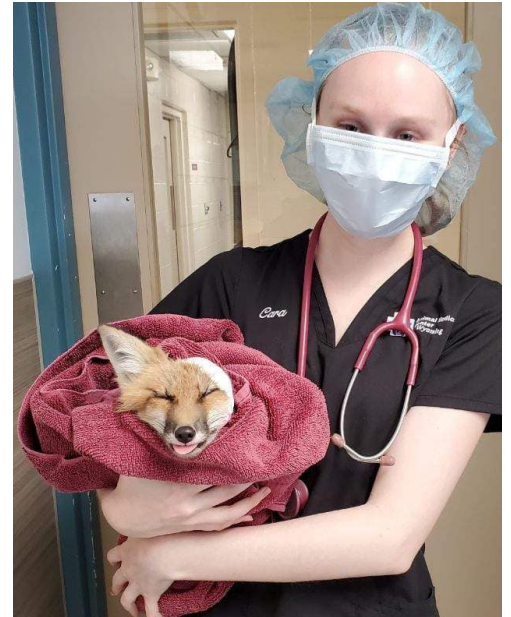

***Photos in this handout are examples borrowed from other like-facilities*

STATE OF THE ART WILDLIFE HOSPITAL

Medical & Environmental Benefits:

- Xray & Diagnostic Capabilities
- Veterinary Internships
- Youth Career Exploration
- Disease Tracking & Control
 - EX: West Nile, Bird Flu, EEE, Covid in wildlife, etc
- Threatened Species Conservation
- Zoo & Nature Center Partnerships
- Breeding/Migration Tracking
- DNR, US Fish & Wildlife & MDHHS Cooperation

REHABILITATION BENEFITS THE COMMUNITY

Additional Benefits of WRC :

- 4000 Animals Rescued Annually
- ~14,000 Calls from the Public Annually
- Resource for Law Enforcement/Animal Control
- Nuisance Animal Advice
- Opportunity to Study Wildlife
- Allows Community to Form Attachment with Nature

WRC would expand our services to include:

- Specialized habitats for rare & threatened species
- Offer rehabilitation services for more species
